

## ILF Book Supply Program

We are a proud supporter of the **Indigenous Literacy Foundation (ILF)** and their **Book Supply program**, ensuring children in remote communities have access to culturally relevant books

**Indigenous  
Literacy  
Foundation**

# Abco is a major supporter of the Indigenous Literacy Foundation

## What is the Indigenous Literacy Foundation?

The ILF is a not for profit charity with a vision of equity of opportunity for all Aboriginal and Torres Strait Islander children living in remote Australia.

ILF programs focus on empowering communities in their literacy journey, ensuring access to quality resources including books in home languages, and publishing community stories.

## How we can make a difference together

When you buy selected Enviroplus products, a portion of our profits is donated to ILF, giving Indigenous children living in remote communities access to books and learning resources.

ILF HAS  
SUPPORTED **325**

## Helping Make a Difference

At Abco, we want to make long-lasting change to eradicate unsustainable practices that impact the environment. Our Enviroplus range of super concentrated, eco-friendly solutions are made up of products that help improve the environment through unique enzyme technology, lower our carbon footprint and benefit our community.

We are proud to be a major supporter of the Indigenous Literacy Foundation, and do our part to give children in remote communities across Australia access to more books and learning resources.
